

Our Handbook for Business, the Bible

What's in your hand?

Remember in Exodus 3, God called Moses to confront Pharaoh and demand he let the Israelites go.

Moses was hesitant and sought a sign that he could do it; so, the LORD asked him, *"What's that in your hand?"* (Exodus 4:2) and Moses replied, *"a stick"* (NLV).

Then, *"throw it on the ground"* and as he did, it turned into a serpent.

Moses got his sign; and we got three lessons...

- 1: Expect amazing outcomes when our actions align with the will of God
- 2: We should focus on what we have, not on what we don't have
- 3: Expect to receive several of these hand moments in life!

My counsel for business owners:

Psalms 139:14 declares we are all *'fearfully and wonderfully made'* thus, you're not a nobody, your life matters; God has put a gift in your hand.

The question is, do you know what it is? If not, ask Him for revelation & confirmation.

Maybe it's an idea to make the world a better place; or your industry; a revolutionary new product or service; an invention; a ministry; a career; a desire to create great things; or teach others.

Whatever it is, it's unique to you so, be wary of coveting what's in someone else's hand!

- * David had a slingshot in his hand...and defeated a giant (1 Samuel 17)
- * With a few speckled sheep, Jacob built a dynasty & great wealth (Genesis 30)
- * In Acts 3, Peter had only the authority of Jesus name and healed the cripple.
- * Nick Vujicic was born with a disability, yet it hasn't stopped him impacting countless lives with his message - see www.nickvujicic.com ...

"If God can use me, without arms and legs to be His hands and feet, then He will certainly use any willing heart"

God put in my hand the ability to *"see through the murky waters a clear path"* - to help business owners"

Again, I ask, what's that in your hand? If it's part of God's plan for your life, don't waste it, use it for His glory.
